Remarks

Attention Golfers and those that just want a terrific condo on a golf course! This beautiful 2 Bedroom/2 Bath plus Den end unit overlooks the 6th green at Tara Golf & Country Club. Vaulted ceilings in the living, dining, and kitchen add a feeling of spaciousness and light. A front entry porch with vinyl sliders, and a lanai with glass sliders overlooking the golf course add to the feeling of a much larger condo than 1345 sq. ft. This charming condo has been updated over the past 2 plus years to include luxury vinyl flooring in the main areas, attractive carpet in the bedrooms, no popcorn ceilings, and freshly painted rooms. The kitchen which opens to the main living areas has views of the course, tile floors, corian counters, new backsplash, new refrigerator, disposal, faucets, closet pantry, and a casual eat in area looking out to the front porch. Primary bedroom has a wall of decorative molding which is inviting, Plantation shutters, and opens to the lanai. Both bathrooms have been updated with painted cabinets, quartz counters, new sink, faucets, and the guest bathroom with wallpaper that you will fall in love with. Double pocketing doors off the main area lead to the den with built-ins on one wall, and Plantation shutters. This delightful condo comes with a Class A equity golf membership to Tara Golf & C.C.
